FOR IMMEDIATE RELEASE

Skyline National Bank Welcomes Ryan High as Vice President and Area Executive

INDEPENDENCE, VA - Skyline Bankshares, Inc., the holding company of Skyline National Bank, has appointed Ryan High as Vice President and Area Executive.

In this role, High will lead commercial banking efforts throughout the Greater Piedmont Triad, including Davie, Forsyth, Stokes, Surry, and Wilkes counties. He will focus on building relationships with local businesses, growing Skyline's presence in the region, and providing financial solutions tailored to their needs.

High brings approximately 10 years of commercial banking experience to Skyline, most recently serving as a Vice President and Senior Relationship Manager in Wells Fargo's Middle Market Banking division. His background includes commercial lending, relationship management, treasury management, and cash management. Throughout his career, he has worked closely with business owners and leadership teams to help them manage cash flow, address financing needs, and identify opportunities for growth.

High's experience and relationship-focused approach will play an important role as Skyline establishes new business relationships and builds on its commitment to personalized banking throughout the Greater Piedmont Triad.

Skyline National Bank, a wholly owned subsidiary of Skyline Bankshares, Inc., operates 29 branches and two loan production offices across Southwestern Virginia, Northwestern North Carolina, and Eastern Tennessee.
